COMMISSIONERS' REPORT

To the Citizens of Hillsborough County:

In accordance with the Public Laws of the State of New Hampshire, the Commissioners submit their annual report for the year ending December 31, 1943, together with reports of the County Treasurer, Clerk of Court, County Solicitor, Sheriff, Jailer, County Farm Superintendent, County Hospital Superintendent, County Physicians, Hospital Report, Chaplains, and County Extension Service.

A further reduction in Public Welfare Expenditures continued in 1943. Direct relief expenditures amounted to \$220,037.16 as against \$400,062.23 for 1942, a reduction amounting to \$180,025.07. Soldiers Aid expenditures amounted to \$5,609.70 for the year as against \$12,033.94 for 1942, a reduction of \$6,424.24. Board and Care of Children showed a sharp reduction for the year, expenditures amounted to \$70,809.27 as against \$81,503.15 for 1942, a reduction of \$10,693.88. This reduction for Board and Care of Children was due to more parents being able to finance the welfare of their children.

Welfare administration decreased from \$34,775.88 to \$23,268.76, a decrease of \$11,507.12. The above reductions were brought about by decreases in the number of cases cared for.

Old Age Assistance shows a sharp increase in expenditures for the year 1943 due to the fact that sufficient appropriations were not made in past years and was carried as a liability on the balance sheet. The delegation provided additional money for 1943 and 1944 and we believe that this item will be returned to its normal expenditure by the end of 1944.

Expenditures at the County Farm amounted to \$113,327.60 for 1943 as against \$98,276.72, an increase of \$15,050.88 due principally to the purchase of cows to replace the ones that were lost by bangs and the culling of low producers. Milk is a very essential food for the Farm and Hospital and while furnishing approximately 900 lbs. per day for the Institutions we were able to sell 138,159 lbs. surplus milk in a much needed contribution to the War effort. We believe it to be advantageous to raise enough young stock to replace the ones that have to be culled. We have started to vaccinate all young stock for bangs so that in a few years the Dairy Herd will become negative and certified to bangs. This might appear to be expensive but in a long range dairy program will prove less costly than to lose your best cows through the test and slaughter program. It has also been our plan to keep enough cows so the dairy farmers may benefit by being able to purchase good pure bred Holstein heifer calves at reasonable prices.

The year was an exceptionally good growing season for the crops and without question more hay and potatoes were harvested than in any other year.

Romeo Gagnon was appointed as Superintendent during the year, replacing Joseph J. Gorey who served as Superintendent the past two years.

Miss Helen Cullity of Manchester was employed as Registered Nurse on the Farm side and it is apparent that her services were much needed as she has rendered care to the patients that they have never received before.

Dr. Fraser is the Physician on the Farm side and has rendered very efficient medical assistance.

Miss Addie M. Moore continued as Superintendent of the Hospital. The Hospital showed a slight decrease in expenditures over the year 1942.

Our training school for nurses became affiliated with U. S. Cadet training school of nursing and will be inspected and recommendations made from time to time.

It became necessary during the year to adjust salaries in order that efficient employees might be retained.

Twenty-five thousand dollars was invested in War Bonds and placed in a safety deposit box in the Manchester National Bank which cannot be opened unless two Commissioners are present. These bonds were purchased and are to be used to discharge principal on outstanding County Bonds in twenty years.

A new cooking range and bake oven was purchased for the Hospital. The range is a stoker type and should prove a saving in fuel.

A new electric 40 cu. ft. refrigerator, which has proved very beneficial in the preservation of food, was installed in the Hospital. It was impossible to renovate the old refrigerator as materials were impossible to obtain. This should be electrified when materials are obtainable.

A new respirator for infants was installed in the Hospital and has already proven its value.

Expenditures at the County Jail showed a slight increase over the year 1942.

The balance of the various departments remained about the same as in previous years, some showing slight decreases, others slight increases.

Commissioners' salaries were increased from \$2,100 to \$2,400 by a legislative act.

Numerous repairs were made at the Court House in Nashua out of funds available from special appropriation.

We wish to thank the medical staff, Chaplains and entire personnel of the Farm and Hospital for their services.

The Commissioners wish to express their thanks to all Federal and State Officials, Mayors of Manchester and Nashua, Commissioner of Charities, Selectmen of towns, Overseers of the Poor, and private and public agencies who have assisted us in our duties in serving the public of their county.

JOSEPH E. HURLEY, *Chairman,*
WALTER J. RICHARD, *Clerk,*
HONORE E. BOUTHILLIER,
County Commissioners.

REPORT OF HILLSBOROUGH COUNTY FARM BUREAU

To the Honorable Board of County Commissioners:

We were able to accumulate some cash on hand during the year due to several reasons. First, our Club Agent, Mr. Kenneth E. Gibbs, who had been with us for a long period of years, left. There was some saving in the salary to his successor. Due to gasoline and tire restrictions, the agents were not able to travel as much as during peace times or as much as the farmers would like to have them. We also have not been able to buy some much needed equipment such as typewriter, etc.

This cash on hand will help carry us over during the period from January 1, 1945, when our present appropriation runs out, until the new appropriation is made by the County Delegation.

I will see that the financial statement for the year 1944 is sent to you just as soon after January 1 as we have the figures.

Very truly yours,

E. W. PIERCE,

County Agricultural Agent.

CHAPLAIN'S REPORT

December 31, 1943

To the Honorable Board of County Commissioners :

GENTLEMEN :

To pause and take stock at the end of each year is indeed a wise procedure. My duties as Roman Catholic Chaplain of these fine institutions have given me the privilege of making contact with the inmates every day, more often twice a day and oftentimes, thrice a day, for I have adopted the policy of passing the greater part of the forenoon each day visiting the various buildings, with a call in the afternoon and a final checkup in the evening. With this system of following up the patients, night calls averaged about twice a month only.

From experience, I found that this twenty-four hour service of the Roman Catholic Chaplain has brought much consolation, both to the inmates and their chaplain, for almost all have responded with alacrity to our ministrations. The various sacraments of the church, the assistance at Mass on Sundays, Holy Communion and the spiritual directions, have been accepted with gratitude by at least ninety-five per cent of the people.

In the discharge of my various duties by day and night, the sympathetic understanding and splendid cooperation of the Superintendent of the Farm, Mr. Romeo Gagnon, has been gratefully appreciated as the genuine brand of cooperation that makes things go ahead and stamps success on every humble effort. The Matron, Miss Cullity, who by her constant devotion of giving willingly a helping hand to the Chaplain has helped a great deal in adding extra consolations to the inmates under my care, thus rendering my labors more pleasant and more fruitful.

The cooperation of Miss Moore, Mrs. Kirby, Miss Williams and St. Patrick's Choir is of a traditional classical pattern of an "Entente Cordiale" that has maintained itself again faithfully this year with me owing them a deep debt of gratitude which I readily accept in a spirit of thanksgiving.

May God protect those of our beloved singers who had to depart to serve their country and may a just peace based on justice and charity, hasten their return in our midst.

I wish to express to the Honorable Board of Commissioners of this progressive County, my heartfelt appreciation for their fine cooperation, their distinguished consideration and excellent accounting of themselves in their trust. May the progress of the institutions under their competent guidance and experienced leadership be ever increasing with the blessing of God.

Respectfully submitted,

REV. RENE A. CONSTANT,
R. C. Chaplain.

CHAPLAIN'S REPORT

*To the Honorable Board of County Commissioners for
Hillsboro County:*

GENTLEMEN:

It has been a privilege for me to serve another year as chaplain of the Hillsboro County Farm. I believe that the Lord has been working among the patients and inmates in an increasingly evident way. I expect that He will continue to do so through the years to come.

The co-operation of the Superintendents, both at the Farm and Hospital, together with that of their staffs, has enabled me to carry on more adequately than ever before. May the Lord enlarge this fellowship daily.

Respectfully yours,

DOUGLAS B. MacCORKLEE,

Chaplain.

Grasmere, N. H., April 1, 1944.

This report is printed subject to certificate of Audit of the financial account for 1943.

All of our efforts to secure a certificate have been in vain.

JOSEPH E. HURLEY,

Chairman.

SUPERINTENDENT'S REPORT

To the Honorable Board of County Commissioners:

We herewith submit our report for eight months ending December 31, 1943—our tenure in office.

During this period we did all possible to maintain and encourage the morale of all, both inmates and personnel.

A large number of cattle and hogs were raised and sold and practically four thousand bushels of potatoes were raised and some sold, our revenue being increased this way. New machinery was purchased and the old repaired, thus placing all necessary tools and machinery in good condition. Outside repairs were done where necessary and inside decorating and finishing accomplished where deemed necessary.

We wish to thank your Honorable Board of Commissioners for your cooperation and advice; also thank the Hillsborough County Executive Board, the Hillsborough County Delegation, the reverend clergymen for their solace and accomplishments, the various clubs and organizations who have visited the confined and administered to them, the personnel of the Hospital and Farm for their kindness and help and all others who have contributed to the good and welfare of this institution.

Respectfully submitted,

ROMEO GAGNON,
Superintendent.

HELEN E. CULLITY,
Matron.

Those who spoke in favor of the bill were Mr. Wadleigh of Milford, Mr. Davis of Nashua, Mr. Kimball of Manchester, and Mr. Matheson of Goffstown. The committee made an inspection of the Hospital, House of Correction and some other buildings. The committee recommended there should be some new toilets in the cell blocks of the house of correction. The Commissioners said they would look into the price and amount of linoleum needed, and report at our next meeting.

The Committee voted to meet again next Monday, March 15, at the County Farm.

EDWARD W. CARTER,
Clerk.

A meeting of the Hillsborough County Delegation was held at the County Farm, March 22, 1943.

After a tour of the farm buildings, a very delicious buffet lunch were served to the members and guests.

The meeting was called to order immediately after lunch, by Chairman Denis F. Mahoney. The roll was called by the Clerk, which showed sixty-four members present. After the opening remarks, by the Chairman, he announced that the meeting had been called for the consideration and explanation of the Budget for 1943 and 1944. He also stated there would not be any action taken on the budget at this time but there would be an executive meeting at a later date for this purpose.

The Chairman said he would now like to introduce Mr. Hurley, one of the County Commissioners, who would explain the budget in detail, and at the close of his explanation the members would be at liberty to ask questions on what they did not understand, and the Commissioners would try to explain them.

Mr. Hurley was presented at this time.

"I am very glad of the honor and privilege of coming before this delegation to renew old acquaintances and exchange greetings as well as try to explain the budget to you."

Mr. Hurley then proceeded to explain the budget and special appropriation in detail as attached to this record. At the close of the explanation Mr. Velishka of Nashua said he had made an inspection of the beds in the old men's ward and asked if new beds for the aged people could be included

in the special appropriations, as he thought they were badly needed. Mrs. Caron of Manchester seconded his remarks. Mr. Hurley said he would be very glad to have the matter brought before the executive committee for action, at the next meeting. He also stated that perhaps the matter could so be handled as to be put on the 1944 Budget as the Commission was anxious to keep the 1943 Budget as low as possible so as not to fall below the \$200,000 saving as shown by the Budget.

Mr. Wadleigh of Milford paid very complimentary remarks to the three Commissioners, the Chairman and members of the Executive Committee, stating in his opinion, they had done a very fine job. He also asked Mr. Hurley if he would explain the increase asked for in the old age account. Mr. Hurley said that the appropriation for the last two years had not been sufficient to pay the demands, and he was asking for the increase over the two-year periods, so as to clear up the deficiency. Mr. Velishka of Nashua again brought up the matter of beds for the old peoples' wards and Chairman Mahoney assured him that the Commissioners would inquire into the cost, and also find out if they could be obtained at this time, and report their finding at the next executive meeting.

Mr. Gage of Manchester asked about the incidental expenses of the Court. Mr. Hurley said without going into a complete breakdown in general, they included messenger service, supplies for the Court Clerk and of the Court expenses.

At this time, Mr. Hurley brought up the increase of \$500 asked for by the Farm Bureau, and asked if there was any one present who wanted to speak on the subject. Mr. Eaton said the increase was called for, on account of the extra work of their office caused by the Federal Government work causing a part time employee to become a full time employee. However, he stated that he was willing to leave it up to the committee to decide, and if they did not see fit to grant it they would try and get along and do the

best they could. Chairman Mahoney asked Mr. Hurley to explain the increase of the Board and Care of Children. He stated it was caused by the increase of \$200 per month per case.

Chairman Mahoney at this time introduced the other two County Commissioners, Mr. Bouthillier of Nashua, and Walter Richard of Manchester. Mrs. Caron of Manchester said she wished to express her appreciation of the work done by the Executive Committee and the three Commissioners.

The Chairman now introduced Mayor Eugene Lemay of Nashua, who responded with a very fine speech. In his remarks he said he considered the present budget a very fine piece of work and said he realized it covered a lot of ground, and represented a lot of work and thought. He also said he was astonished at the amount of improvements made at the Farm in the last two years, and paid high compliments to the Farm Superintendent, Mr. Gorey. He also said that he understood that the Superintendent, Mr. Gorey, had handed in his resignation on account of being offered more salary elsewhere. He made the suggestion to the Commissioners that they consider the matter well before letting such a man go. He thought it good economy to pay a man like him what he was worth. He also stated he thought the County Commissioners were also underpaid, and as a citizen of Hillsborough County, would recommend to the Executive Committee and Delegation that they consider this suggestion well.

The Mayor said he wished to go along with the Commissions in regards to Bond issues as he did not approve of them except in emergency cases, where it could not be helped. Chairman Mahoney asked Mr. Hurley to explain the \$30,000 on hand from the Food Stamp Revolving Fund. Mr. Hurley said this money was raised and put into this fund for its operation, and that the disposition of it was for the Delegation to consider. He stated then, that it had been suggested by the Executive Committee that the money be invested in Government Bonds, and at maturity

of the War Bonds the proceeds be applied to retiring the outstanding County Bond.

Mr. Matheson of Goffstown made the motion that the Delegation do now adjourn. The motion was carried and the meeting adjourned at 3:00 P. M.

EDWARD W. CARTER,
Clerk.

The Executive Committee of the Hillsborough County Delegation met at the County Farm, Grasmere, March 29, 1943, at 10 o'clock A. M. All members of the committee were present, St. Germain, Wedick, Paquette, Underhill, Cummings and Carter; also the three County Commissioners.

Chairman Mahoney presiding, the budget was again taken up, and after due consideration it was voted to recommend to the Delegation that it should pass as it now is, with the special appropriation added to it. The Committee and County Commissioners made an inspection of the Pulpit Farm. The meeting was again called to order by the Chairman, and the County Commissioners asked the Committee for their opinion on an increase of the salary of the Farm Superintendent. After much discussion, the committee was of the opinion it might be raised to \$3,000 but not over \$3,200. But they were willing to leave the matter with the three Commissioners to decide it.

The three County Commissioners then retired, and the matter of raising their salary was taken up, and after consideration, it was voted to recommend to the Delegation that it should be raised from \$2,100 to \$2,600.

The matter of new springs for the beds in the old people's ward was taken up and it was thought it would take about seventy-five new springs. The committee voted to meet every three months for the balance of the year. The meeting adjourned at 5 P. M.

EDWARD W. CARTER,
Clerk.

The Hillsborough County Delegation met in room 100, State House, Concord, N. H., Wednesday, March 31, 1943, immediately after the morning session.

Chairman Mahoney called the meeting to order. The Clerk called the roll, and there were seventy-four members present.

The Chairman explained that the meeting had been called for the purpose of passing the Budget for the County for 1943, 1944. He also explained that the Executive Committee had met five Mondays at the Farm and had put a lot of work into making the budget. Also that a Delegation meeting had been held at the Farm, March 22, and the budget had been explained in detail at that time. It was thought best to take up the budget separately for the two years, that is, vote on each year separately. Mr. Dwire of Manchester made the motion we accept the Budget for 1943 for \$813,086.25. This motion was seconded by Mr. Dulac, and upon vote the motion was carried. Mr. Lievens of Hollis made the motion that the Budget of 1944, for \$771,233.75 plus \$2,000 for painting the Court House at Manchester, be accepted. The motion was seconded, and by vote of the delegation the motion was carried.

The matter of increasing the salary of the County Farm Superintendent was brought up, and the Chairman explained that the County Commissioners had the authority to do this, and it could be taken care of in the budget.

Also an increase of the County Commissioners salary was discussed, as the Delegation did not have the authority to do this without an act by the Legislature. The Delegation voted to give the Chairman the right to introduce a resolution into the House for this authority and have the Delegation meet at a later date and decide it then.

There was a motion made by Mr. Wilcox that the Executive Committee be paid \$8.00 per day and expenses for their work. This motion was voted down, and a motion

was made to pay them five cents per mile for their cars while in use in this work. This motion was carried.

The meeting adjourned at 1 o'clock P. M.

EDWARD W. CARTER,

Clerk.

The Hillsborough County Delegation met in Room 100, State House, Concord, N. H., April 14, 1943, immediately after the close of the afternoon session, Chairman Mahoney presiding.

The meeting was called for the purpose of considering House Bill No. 331, an act to increase the salary of the three County Commissioners. After some discussion, Mr. Velishka of Nashua made the motion that the discussion be postponed until next Tuesday, April 20, and have all three Commissioners present to answer questions. This motion was seconded and carried.

The motion to adjourn was in order, seconded and carried, and the meeting adjourned at 11 A. M.

EDWARD W. CARTER,

Clerk.

The Hillsborough County Delegation met in Room 100, State House, Concord, N. H., on April 20, 1943, for the purpose of holding a continued hearing on House Bill No. 331. The meeting was called to order by Chairman Mahoney who again explained the bill, which called for a raise in the salary of the County Commissioners from \$2,100 to \$2,600. Mr. Velishka asked the Commissioners why they wanted a raise. Mr. Hurley stated that all things considered they were not paid as much as other people with the same amount of work. He said nearly all other counties had increased their Commissioners salary, also nearly all the employees of the County Farm have had their pay increased. In answer to a question, he said the pay of the janitors of

the Court Houses of Nashua and Manchester had not been raised as they thought they were all right as they were. They got \$125 per and \$50 from the Court when in session. Mr. Hurley went to some length in explaining that they had put in a lot of hard work in reducing the relief load. Mr. Velishka asked if the load had gone down, if he thought a raise in salary was justified. The expense account of the Commissioners was taken up and discussed. Mr. Hurley said he would be glad to furnish an itemized account if Mr. Velishka wanted it.

Mr. Gage of Manchester asked Mr. Hurley if when he ran for Commissioner he did not know the salary was \$2,100. Mr. Hurley said yes. Mr. Kimball said he was willing to go along with the commissioners to the extent of \$2,400. The chairman stated that there would not be any increase in the budget, the increase of salary, if granted, would be taken care of with the present budget for 1943-1944. Mr. Emerson of Milford made a motion the amount be made \$2,350. It was seconded. Mr. Emerson called for a vote on the motion before the House. The Delegation went into executive session, the motion of Mr. Emerson for \$2,350 was put up, and by voice vote was lost. A division was called for. The chairman appointed Mr. St. Germain and Mr. Bergholtz as tellers. The count was taken and showed yes 29, no 30. The motion was lost. Mr. Hermis then made the motion to make it \$2,400. It was seconded by Mr. Dugan, and the motion was carried.

Mr. Velishka made a motion to increase the salary of the County Sheriff from \$1,500 to \$2,000. The motion was seconded, and upon vote the noes had it and the motion was lost.

The meeting was called for the purpose of further consideration of building a new barn at the County Farm.

At this time, it was thought that a barn 40 ft. by 84 ft. would be large enough.
